Language Requirements

No formal test required from ERASMUS students. Students should have a least level B1 in the language of instruction.

Intensive German language course offered before the beginning of each semester in September / March free of charge.

Admission to Master Level Courses

Students should have completed either
- a formal bachelor degree or
- three years of study or
- an equivalent of 180 ECTS

In that subject area.

Housing / Arrival Service

The International Office reserves rooms for all applicants in one of the local student residences. Due to rising student numbers, there is no guarantee that we can assign a room to every student.

Upon arrival, students will be met by tutors at the train or bus station in Ulm. The tutors will show them to their rooms and assist them with all administrative formalities during the first days.
