

Dear Partners,

Hereby I would like to give you some updated information on how to become an exchange student at DTU (Technical University of Denmark).

Admission process

You can find the updated admission deadlines for exchange students at our webpage:

<http://www.dtu.dk/english/Education/Guest-students/Exchange/BSc-and-MSc/Application-and-deadlines> . You will also find them below.

	Deadlines for European students	Deadlines for overseas students
Autumn semester (September-January)	15 April	1 April
Spring semester (February-June)	1 November	15 October

Please note that we have moved some of our deadlines. We do this to make accommodation and residence permit procedures go smoother. European students should now apply for the autumn semester before the 15th of April. Overseas students should apply for the spring semester before the 15th of October.

Before the above mentioned date, DTU must have received the online application at www.icn.dtu.dk and the required documents, which are also mentioned at the above webpage. The documents are a certified transcript, documentation for English language proficiency, and the learning agreement for Erasmus students. Concerning English language proficiency, as a general rule, students should not fall much below the language requirements for full degree MSc students. European students should be at B2 level within the European framework or better.

Students will receive their acceptance letter and all information relevant to the admission via e-mail. The admission package contains detailed information on how to sign up for courses.

Accommodation

Exchange students can apply for accommodation before the 1st of May for the autumn semester and before the 1st of November for the spring semester. Please note that we do not guarantee accommodation for exchange students. However, we do our utmost to find accommodation for all students who apply within the deadlines. To read more about DTU's accommodation offers, have a look here: <http://www.dtu.dk/english/Education/International-Student-Guide/For-admitted-students/Accommodation> .

Best regards / Med venlig hilsen

Bjørn Sparre Johansson
Exchange Students Admission Officer
