

Dear Partner,

we would like to inform you of the details of the application procedure for exchange students for the academic year 2014/15 at the University of Muenster (D MUNSTER01).

Please find attached an overview about living expenses and our exchange student incoming guide –

[We Welcome you!](#) Additionally, find [here](#) our new videos about studying in Münster.

Nomination of selected students by home University

We would like to receive your nominations (first semester and full year) to the email-address: admin.ess@wwu.de with the following details:

name, date of birth, **field of study**, duration of the exchange and the student's e-mail address.

For winter semester and full academic year: **1 May, 2014**; students have to hand in their application till **1 June, 2014**.

German Language Proficiency:

Most courses are taught in German, only few lectures and seminars are taught in English or other languages, depending on the faculty.

Thus, sufficient German language skills are necessary in order to visit lectures and pass exams. Besides, our language centre offers a wide variety of German language courses before and during the semester.

Accommodation in Muenster

Finding accommodation in Muenster is very difficult and should be one of the first steps in the preparation of the study abroad period. Unfortunately accommodation cannot be guaranteed.

Welcome Week:

Each semester the International Office organizes a Welcome Week. We strongly recommend all students to take part in this week since important information for the study period will be provided. The Welcome Week starts **17 September, 2014 with our official welcoming.**

We are looking forward to welcoming your students at the WWU Münster and remain at your disposal for any further information you may need.
