

Nomination and Application Deadlines:

July 16th 2015 (either for the 1st semester, 2nd semester or full academic year 2015/16). Exceptionally, we could accept later nominations for 2nd semester students upon request.

Nomination:

Nomination is a **MANDATORY REQUIREMENT** for the acceptance of Erasmus students at the University of Salamanca. Partner Universities must send their official nomination lists by e-mail to the address: erasmus@usal.es . The email must **necessarily** include the following data:

1. Full name of the student/s
2. Email address
3. Subject Area
4. Level of Study (Undergraduate/Bachelor, Master or Doctorate)
5. Proposed period of study in Salamanca

Nominations lacking any of these requested data will be considered as **incomplete**, and therefore **will not be validated** until amended by the home university.

Nominations must conform to the **terms of each Erasmus agreement** with regard to the area of studies, level of studies and number of students. Any change to these conditions must have the prior approval of the University of Salamanca.

It is recommended to **keep the balance in the distribution of students** between 1st semester and 2nd semester. When **splitting a full year mobility** into two single semester mobilities, one should be for the 1st semester and the other for the 2nd, so that the **balance** set out in the agreement **is observed**.

Application:

Upon reception of the **nomination sent by the home University**, the University of Salamanca will contact the students by email and send them detailed information about registration procedures. Students **duly nominated** by their home institution must complete the on-line Erasmus Application Form, print it and send it by post, together with a passport photograph, to the International Relations Office:

Learning Agreement:

The University of Salamanca does **not** require the Learning Agreement prior to the beginning of the Erasmus stay, so it can be agreed with the corresponding International Departmental Coordinator **after the student's arrival in Salamanca**. In the event that the home university requires this document prior to the student's departure, it will have to be sent for approval and signature to the corresponding **International Departmental Coordinator**. There is not an Institutional Coordinator at the University of Salamanca; therefore, only Departmental Coordinators can sign Erasmus documents.

Language of instruction / Spanish Language Courses:

The language of instruction at our institution is **Spanish**. Students must have sufficient Spanish skills before coming in order to be able to follow lectures. A minimum level of B1 is recommended.

The University of Salamanca offers, at the beginning of each semester (September, October and November for the 1st semester, and February/March for the 2nd semester), a Spanish intensive course to all Erasmus students who wish to take it. Students must pay fees for course materials and linguistic consulting. Interested students must indicate it by marking the corresponding box on the on-line Erasmus Application Form.

A more detailed information about this course (updated fees, dates of the courses and timetables) will be made available on our website in May, 2015.

Health Insurance:

- All Erasmus students **must take out** the **mobility insurance of the University of Salamanca**, regardless the requirements of the student's home institution on this regard. This insurance policy shall be signed up by each student directly via the website <http://www.oncampus.es/common/alumnos>.
- **Health Care**: Students from the **EU and Switzerland** are entitled to medical care in the medical centres and hospitals that form part of or have agreements with the Spanish National Health System (Seguridad Social). To be able to use these services, students must apply for the **European Health Card** at the health service offices in their country of origin. Foreign students from **other countries** than the above mentioned or who are not covered by national health plans, must have **private health insurance**.

A proof of having taken out **both insurances** will be a **mandatory requirement** in order to **formalise the inscription** at the University of Salamanca and receive the **student card** (which allows access to University services, such as libraries, computer rooms or the University digital platform).

Students must send, **before their arrival in Salamanca**, a copy of **both documents** either **by e-mail** to the International Relations Office (erasmus@usal.es) or by regular post to the postal address:
